Tau Beta Sigma National Constitution

I. Organization and Structure

1.101 The name of this organization shall be Tau Beta Sigma, National Honorary Band Sorority for College and University Band Members. Tau Beta Sigma Sorority was incorporated under the laws of the Sovereign State of Oklahoma as of March 26, 1946.

1.102 For the purpose of administration, the Sorority shall be divided into the following component parts: (1) Corporation; (2) National Chapter; (3) Districts; (4) Chapters, (5) Alumni.

1.103 The National Headquarters of the Sorority shall be the same as the National Headquarters of Kappa Kappa Psi, subject to the approval of the National Council.

1.104 Tau Beta Sigma recognizes Kappa Kappa Psi as an equal affiliated organization with a parallel purpose, function, and role in the college and university band setting.

1.105 Tau Beta Sigma recognizes that the National Alumni Association of Kappa Kappa Psi Fraternity and Tau Beta Sigma Sorority is a separate entity within the corporation, and is responsible for National Alumni Association activities.

1.106 The National Executive Director shall be employed by the National Officers of the Sorority as the Administrative Officer of the Sorority, and shall be paid a monthly salary as recommended by the National Officers and approved by the Convention. The National Executive Director shall be employed jointly by the Councils of Tau Beta Sigma and Kappa Kappa Psi. The National Executive Director shall be a nonvoting member of the National Council and of all committees except the Nominating Committee of which she/he cannot be a member. The National Executive Director shall be responsible for the production and distribution of all publications of the Sorority. The National Executive Director shall be in complete charge of the National Headquarters and shall maintain, therein, files of all members of the Sorority by chapter. The National Executive Director shall maintain individual chapter records of monies received and disbursed and shall receive all chapter reports and correspondence and shall prepare and issue all necessary forms and stationery for the transactions of all business of the Sorority. The National Executive Director shall be the Sorority's

representative in all contacts with the official jeweler and as such shall receive and have charge of requisitions for jewelry and membership shingles received from individual members and chapters. The National Executive Director shall issue all checks for disbursement, all chapter membership shingles, documents of business, and shall prepare and send to each National Officer a monthly report of income and expense of the Sorority in addition to a written report stating the condition of the Sorority for presentation at each regularly called National Convention.

1.107 Tax deductible contributions to Tau Beta Sigma may be made by members and nonmembers. The amount is to be distributed at the discretion of the National Council, unless otherwise specified by the contributor.

1.108 The current version of *Robert's Rules of Order, Newly Revised*, unless otherwise specifically stated in this Constitution, shall govern the deliberations of all component parts of the Sorority assembled in meeting.

1.109 Each member of the Board of Trustees and National Council, their heirs, executors, and administrators, may be indemnified by the Sorority against the expenses reasonably incurred by such person in connection with any action, suit, or proceeding to which the member may be made a party by reason of serving or having served as a member of the Board or Council, so long as such person is found to have acted in good faith and within the scope of her/his office. Any such indemnification must be first approved by the National Chapter assembled at a National Convention. Such expenses shall include the cost of reasonable settlement made with a view to curtailment of litigation and reasonable expense incurred in the preparation and trial of the litigation. The foregoing right of indemnification shall not be exclusive of other rights to which such persons may be entitled as matter of law.

1.110 The Tau Beta Sigma Sorority neither approves of nor is responsible for actions of members of local chapters (commonly referred to as "hazing") which may result in injury to persons or damage to property. Hazing is defined as any action taken or situation created, intentionally or through negligence, to produce mental or physical discomfort, embarrassment, harassment, or ridicule.

1.111 The Tau Beta Sigma Sorority expressly prohibits discrimination by any component part of the Sorority on the basis of race, national origin, sex, religion, handicap, sexual orientation, or marital status. Rather it is the policy of this Sorority to foster a spirit of mutual understanding and respect among all people, especially those involved with college and university bands, remembering that music is the universal language.

1.112 Proposed amendments to this Constitution shall be presented in writing at regularly called National Conventions of the Sorority, and shall be referred at once to the Committee on Jurisdiction. Said Committee shall report thereon at the same National Convention. If two-thirds (2/3) of the votes cast by the National Convention are favorable, the proposed amendment shall be declared adopted, and from and after such adoption, it shall become operative and effective immediately, unless otherwise stated in the amendment.

1.113 If the favorable vote on the proposed amendment is less than two-thirds (2/3), yet there is a majority vote, the proposed amendment shall be tabled until the next regularly called National Convention of the Sorority. During the interim between conventions, it shall be published in the minutes of the National Convention at which it was proposed under the caption: "Proposed Amendment to the Constitution." If at the next regularly called National Convention it shall receive two-thirds (2/3) of the votes cast, it shall be declared adopted, and from and thereafter such adoption it shall become operative and effective immediately unless stated in the amendment. If a favorable two-thirds

(2/3) vote is not obtained, the amendment shall be declared defeated and shall not again be proposed for consideration.

1.114 Under extraordinary circumstances between regularly called National Conventions and upon recommendation of the National President, approved unanimously by the National Council, a proposed amendment to the Constitution may be submitted in writing to the chapters of the Sorority for ratification. If two-thirds (2/3) favorable vote of all chapters in good standing is received, the proposed amendment shall be declared adopted, and after such adoption it shall become operative and effective immediately, unless otherwise stated in the amendment.

1.115 This Constitution, as revised and amended, shall be reprinted following each regularly called National Convention and shall supercede all previous Constitutions.

1.116 The effect of the National Constitution upon an individual chapter may be altered to conform to any college or university-wide regulations to which this chapter is subject. Any such alterations must be incorporated as an integral part of the chapter constitution and bylaws, which are subject to review by the National Executive Director and National Council. The National Council, after reviewing the report and the chapter's response and any other information provided to them, may take appropriate action to discipline the chapter. All meetings of the chapter under suspension must be approved by the Chapter Sponsor and the National President and be attended by the Chapter Sponsor. The chapter may appeal the disciplinary action imposed in accordance with a procedure estab-

6.602 ACTIVE. All active members of the Sorority shall be college or university students who are enrolled/actively participating in the band and have paid their current membership dues for the year. In the event a member of the Sorority is unable to enroll/actively participate in band, the person may continue as an active member for the academic term provided chapter members and sponsor so desire. An exception must be approved by the National President. Active members are eligible to hold office, serve on committees and take part in all business and social affairs of the chapter. Voting privileges will only be given to active and associate members.

6.603 A member of Kappa Kappa Psi who has ever held active status in Kappa Kappa Psi is not eligible for active membership in Tau Beta Sigma.

6.604 CONDITIONAL. Conditional status in the Sorority may be maintained for up to one (1) academic year by a formerly active member in good standing. Conditional status may be requested by an Active member, in writing, from the chapter when conflicts arise because of work or class schedules and thus prevent the student from fulfilling the requirements for active membership. The request shall be approved by the Sponsor and Director of Bands. The definition and terms for Conditional Status shall not be altered on the local chapter level, nor shall Conditional Status be imposed upon Actives to meet obligations. Conditional members may attend all meetings and functions, however they are ineligible to hold office or vote. Members who meet these criteria shall be granted conditional status contingent upon payment

of the current year's Member Dues. If after one year, the member has not reclaimed active status or become an Alumni or Life member, the member will be classified as inactive with the chapter. However, if the member requests more than one (1) year of conditional status, a letter of recommendation will be required from the Chapter Sponsor and the Director of Bands, and must be approved by the National Council.

6.605 INACTIVE. Former active members who are enrolled in school but do not pay Member Dues will be classified as inactive members. Inactive members are not considered in good standing and therefore, have no active membership privileges.

6.606 ASSOCIATE. Associate Membership is granted to members of Kappa Kappa Psi who transfer to a college or university which does not have an active Kappa Kappa Psi chapter and meet the requirements as defined in the present transfer policy. Before becoming eligible for Associate Membership, the potential Associate member must be educated in the Ritual and traditions of Tau Beta Sigma. Associate members may vote and hold office. Any exceptions must be approved by the National Council.

6.607 HONORARY. In recognition of outstanding ability, accomplishment, or devotion to the best interest of the Sorority, a person can be given Honorary Membership by a chapter. This shall be the highest honor which can be conferred by a chapter. Undergraduates are ineligible for this recognition.

6.608 ALUMNI. Active, Associate, or Conditional members become Alumni members of the sorority when they complete their education or terminate their affiliation with their college or university. A person may not hold active membership in a chapter and an alumni association simultaneously. If an alumni member wishes to reactivate, the alumnus must be a student, be enrolled in the university's band, and meet the requirements as an active member of the local chapter.

6.609 All members and membership candidates must meet local campus organizational membership policies.

6.610 Membership Candidacy in the Sorority may be offered to students enrolled/actively participating in the college or university band. They shall possess unusually good character, and they shall be outstanding persons of leadership on the campus.

6.611 Any member of the Sorority shall be permitted to propose the name of a person eligible to become a membership candidate at chapter meetings. A three-fourths (3/4) vote of the total eligible voting membership shall be required to elect a person to membership candidacy.

6.612 Before becoming eligible for active membership, a membership candidate must complete a

Membership Education Program as prescribed by the chapter. If a membership candidate fails to meet the requirements of the chapter or Sorority, her/his candidacy may be terminated for that academic term by a three-fourths (3/4) vote of the chapter's total eligible voting membership.

6.613 The maintenance of the fine tradition of quality membership shall be the sole responsibility of the initiating chapter. The chapter Secretary shall be responsible for notifying the National Headquarters of all initiations by use of the "Initiate Registration Form" which must be submitted with date of initiation and current initiation fee. The candidate shall not be considered initiated until the name and proper initiation fee have been received by the National Executive Director and until it has been recorded in the Master Roster at the National Headquarters.

6.614 The national initiation fee shall be paid to the proper chapter officer who will see that it is forwarded to the National Headquarters with a properly completed initiate form. The initiation fee shall entitle the initiate to receive a membership certificate, membership card, and a gold recognition pin, all to be supplied by the National Executive Director. In addition to the above, the initiation fee fulfills national membership fee requirements during the current academic year.

6.615 The initiation fee for each honorary member initiated by a chapter shall be submitted to the National Headquarters with an "Initiate Registration Form." The National Executive Director shall provide a special membership certificate, identification membership card, and gold recognition pin. Additional jewelry for honorary members may be purchased by the chapter if deemed advisable.

6.616 LIFE. Alumni or senior members, upon payment of Life Membership fees together with an application to the National Headquarters, shall be entitled to Life Membership privileges in the Sorority providing their addresses are available at the National Headquarters. If application for Life Membership is requested within two (2) years of graduation, it must have chapter approval. Purchase of a Life Membership by a senior does not exempt a person from payment of annual membership dues during the senior year.

6.617 Disciplinary action of a member may consist of probation, suspension, or expulsion. Any such disciplinary action shall be left to the discretion of the local chapter and Chapter Sponsor.

6.618 A member who becomes delinquent in any obligation(s) to the chapter or who displays conduct in violation of National, District, or Chapter policies may be placed on probation. The chapter Executive Board shall consult with the Chapter Sponsor before placing a member on probation. A member may be

placed on probation by a majority vote of the chapter's Executive Board. A member of the Executive Board shall inform the member of the probationary status and prescribe the terms and conditions (as prescribed by the Executive Board) necessary to remove the probationary status. The Chapter Sponsor and District Counselor shall be notified within ten (10) days of any disciplinary action. A member on probation shall not have a vote. Other restrictions on active member privileges may be set by the chapter as terms of probation.

6.619 A member on probation who does not successfully make restitution or any member who violates any policies or procedures of the National, District or local Chapter may be placed on suspension. Prior to a vote to suspend a member, the Chapter Sponsor, District Counselor, and said member shall be informed in writing of the reasons for the disciplinary action. A vote of three-fourths (3/4) of the chapter's total eligible voting membership shall be required to place or lift a suspension. A suspended member shall have no active membership privileges. Once a member has been suspended, the member shall be notified in writing of the obligations to be fulfilled and a specified time period to fulfill them. The District Counselor and the National Headquarters must be notified within ten (10) days of the placement and lifting of any suspension.

6.620 A suspended member who does not successfully meet the obligations specified pursuant to Section 6.619, or any member who repeatedly violates the National, District, or local Chapter policies or procedures, may be expelled. In order to expel a member a vote of three-fourths (3/4) of the total eligible voting membership is required. Prior to a vote on expulsion, the member has a right to a hearing before the active chapter membership and Chapter Sponsor. At least one (1) week prior to the expulsion hearing, the member, Chapter Sponsor, District Counselor, and National Headquarters shall be notified of the reason for the disciplinary action. The vote on expulsion shall be by secret ballot and the member will be informed of the vote totals. Having been expelled, the member shall return to the chapter all regalia and property of the Sorority being held, and the expulsion shall be noted on the Master Chapter Roster at National Headquarters.

6.621 Any member of a Tau Beta Sigma chapter who has recently been an active member of that chapter is, upon transferring to another school, eligible to become an active member of the chapter of that school. Active membership will be granted to the candidate upon enrollment in the band program at the new school, presentation of current membership card, written recommendation from the candidate's previous chapter, a simple majority approval of the total eligible voting membership of the new chapter, payment of chapter

dues, and meeting the existing grade point requirement of the new chapter. If a written letter of recommendation from a member's previous chapter is not available, the new chapter's District Counselor must be contacted to research the transfer request. The District Counselor's decision will be made within thirty (30) days.

7. Delegates and Proxies

6.701 A Delegate, Alternate Delegate, or Proxy shall represent each chapter at each District and National Convention.
